THE SENIORS OF 1950 PRESENT THE WHITEFEATHER

SCHOOL SONG

We're loyal to you, Buckland High
The red and the white is our cry,
We'll back you to stand
With the best in the land
For we know you are true
Buckland High. Rah! Rah!
Fight on is our cry to you, team,
Victory for us, it is nigh.
Cur team is our fame protector
They'll bring us out a victor
We're for you Buckland High.
Fling out that dear old flag of
Red and White
Bring out your sons and daughters
fighting for right
Like men of old on giants
Placing reliance, shouting defiance
Os--key--wow--wow,
Amid the broad green plains that
nourish our land,
For honest labor and for wisdom we
stand
And unto thee we pledge our heart
and hand,
We're loyal to you, Buckland High.

EDITORIAL

The seniors of the class of 1950 are happy to present to you, the surrounding community, the twenty-first edition of the "Whitefeather." We hope the "Whitefeather" has become as much a part of the community, as it has of the school and that it will give you an idea of what we are doing in school, both scholastically and recreationally.

We greatly appreciate the co-operation of our parents, teachers, the merchants who have advertised in the yearbook, and those in our community and neighboring communities, who have helped us in any way to prepare this 1950 annual, for we realize that without this help, we could not have published the "Whitefeather."

We hope that each graduating class of Buckland High School will publish a yearbook and that it will always be a part of our community.

DEDICATION

The Senior Class of 1950 wishes to express their thanks and appreciation to Mr. Leatherman for the co-operation he has given us on various occasions throughout our senior year.

Therefore, we wish to show this appreceation by dedicating to him the 1950 Whitefeather.

SENIOR CLASS PROPHECY

Since I had been wrapped up, shall we say, in my Palomino horse ranch I thought it would do me well to look up my old classmates of 1950. So I left my foremen in charge and set out to see the world. I headed for Cleveland by way of Waynesfield where Joretta Place (Waitman now) invited me to see her home. She and Paul were engaged in the business of farming. After a lovely supper prepared by Joretta I continued my travels. At Lima I happened to take a walk before my bus left. Going down the street I was attracted to a camera shop owned by Roger Tangeman.

After a short talk I hurried and caught my bus. At Bowling Green we had a stopover for lunch, so this gave me the chance to look up two companions of mine, Verda Ramsey and Ruth McPheron who I found were busily engaged in the occupation of teaching. I then journeyed to Toledo where I had heard that Janice Wilkens was managing a beauty salon. Janice gave me a lovely hair do and I continued to search for my friends.

I decided to take a plane then to all points West. To my surprise when I went to buy my ticket to Chicago should be behind the desk but Lula McName. At Chicago I went into "Marshall Fields" department store, as I had heard so much about this famous store, and there I found another one of my classmates, Vera Sunderland, working behind the perfume counter. After renewing our acquaintance we parted, I to my travels and Vera to her job.

I find that window shopping is quite interesting and at the same time easy on my pocketbook. It was while I was busily shopping for a fur coat that I bumped into a handsome Army officer who was as busy window shopping as I. I seemed to recognize him but couldn't place him. Sure enough it was Bob Krites. He told me he had been drafted for one year after he graduated and had liked it so well he intended to make it his life work.

I then stopped in at a hotel for the night. As I went by the desk I noticed a smart well dressed man registering. At a second glance I found it to be none other than Jack Werst. He informed me that he was president of the Westinghouse Corporation and was in Chicago on business. By now, he was married and living near Buckland. Incidently, he was very proud of a picture he showed me of his little boy, Jack Jr.

The next day I again boarded a plane for further West. I had heard Virginia Kiser and her husband were the owners of a large fruit farm near Los Angeles. So I decided to look them up. I found that they enjoyed their business and were very happy. Oh, yes, she said they would send me a box of fruit each year at Christmas time. I am very lucky to have friends like her.

In San Diego I came upon two more classmates, Gene Brookhart and David Lybarger who were in the Navy.

From San Diego I started East again and I must say I was glad to get going.

In Tulsa, Oklahoma, I stopped for a day to see more so called sights. As I was getting hungry I dedided to look for a restaurant. The name of "Chat and Chew" sounded very good so I went in and who should be the manager but Vernon Sunderland. We relived our high school experiences and I left to continue my way home.

In Oklahoma City I ran across Wilbur Hager who was managing a large farm machinery store. Incidentally the brand of machinery was Minneapolis Moline! I could see where he would be quite a success in that line.

From Oklahoma City I headed for Ft. Wayne where, by heresay, I had heard that Vivian Kiser was living. Of course her last name wasn't Kiser any more but nevertheless she was still good Ole "Viv" to me. Vivian told me that Ted Allen was the basketball coach at their high school, so I went to see him and found he had a game that night. His team was playing for the Championship. We had a little talk between quarters and he asked about all the other school chums. I had to leave immediately (incidently Ted's team won) by bus for Ohio.

As I went to hand my ticket to the driver, to my surprise it was Ted Brincefield, whom I had not seen since graduation. I was assured of a safe ride home.

When the bus pulled into Wapakoneta I noticed a blonde haired lady standing in line to get on. Sure enough it was Virginia Stevenson. She told me she was on her way to Chicago where her Army officer husband was stationed. We didn't have time to talk but I was glad to see her again. I stopped in at the library to tell La Donna Truesdale, who was working there, about my travels.

Having seen all my classmates I went back to my business of raising horses.

CLASS HISTORY

In the fall of 1938, twelve years ago, fourteen boys and girls gathered in Miss Margery Culvers' room for their first bit of education. As years went on, we gradually took heed to some of the things taught us. Our first eight years of school life were fairly easy, but as we entered high school we found that harder work prevailed.

We entered the ninth grade with twenty-two members in our class. Our class officers were as follows: President, Jack Werst; Vice-President, Janet Fuerst; Secretary, Rose Mary Minkner; Reporter, Evelyn Fetter; Student Council, Verda Ramsey and Bob Krites. A month or so after school started we were initiated by the seniors. This event was the most exciting for us, "the greenies". During this year many of us participated in the operetta, "In Grand Old Switzerland" under the direction of Mrs. Kenneth Crim.

Our tenth year of school found that one member had quite school, but Janice Wilkins enrolled from Spencerville High School making again twenty-two members in the class. Our class officers for this year were: President, Gene Brookhart; Vice-President, Verda Ramsey; Secretary, Jack Werst; Treasurer, Bob Krites; Reporter, Martha Green; Student Council, Janet Fuerst, David Lybarger. Many of us took part in the Christmas program either in the band or the chorus.

Upon entering the eleventh grade, we found a year of hard work before us. Our class officers for this year were: President, Janet Fuerst; Vice-President. David Lybarger; Secretary, Virginia Kiser; Treasurer, Joretta Place; Reporter, Virginia Stevenson; Student Council, Janice Wilkins, Gene Brookhart. We lost one member of our former year, but regained Virginia Stevenson from Blume High School in Wapakoneta. Shortly before the end of the first semester, Rose Mary Minkner withdrew and moved to Coldwater, Michigan. With her withdrawal we now had a class of twenty-one. Our Junior Class Play "The Atomic Blonde" was successfully presented October 8, 1948,under the direction of Miss Beulah Jones, our class sponsor. To raise money for the Junior-Senior Banquet, which was presented May 8, 1949, we sold schedule pencils, head scarfs, sponsored skating parties and sold refreshments at basketball games here at school and also during the County Basketball Tournament at Waynesfield and New Knoxville. This year we received our class rings which everyone is very proud of to this day. Virginia Stevenson was crowned "Queen of the Carnival" this year. Shortly after the carnival the juniors and seniors took their annual trip to Cincinnati where they witnessed Ruth Lyon's "Morning Matinee", visited the zoo and other points of interest while there. Many of us took part in the Christmas story and also in the Spring Festival of the chorus.

On September 8, 1949, we found ourselves in our last year of school with twenty members in the graduating class. A week or so after school got underway we elected our class officers which are as follows: President, Bob Krites; Vice-President, Virginia Stevenson; Secretary, Verda Ramsey; Treasurer, Joretta Place; Student Council, Wilbur Hager, Jack Werst, while Janice Wilkins is president of the Student Council.

On October 25, 1949, the senior problems class held the First Auglaize County Vocational Day at the Buckland Congregational Christian Church to acquaint seniors with the advantages and disadvantages of the various fields in which many of them were interested. To make this day a good one we invited the seniors from the five county schools, Waynesfield, New Bremen, Minster, New Knoxville, and Cridersville. The day turned out to be a success; consequently we know that the day was educational as well as entertaining. On October 15, 1949 the juniors and seniors took a trip to Southern Ohio. There we viewed many spectacular points of interest including Rock House, Ash Cave, Old Man's Cave, Cantwell Cliffs and other interesting places. Many of the members of this graduating class belongs to the band, chorus, "Pioneer" staff etc. Seven of the boys play basketball on the varsity.

The Senior Class Play titled "A Little Honey" was presented April 14, 1950.

Now that graduation is appearing closer and closer each day, we are all looking forward to our Senior trip, the last time that the whole class will be together, to Washington D.C. and New York.

"QUIT YOUR KIDDING"

The Buffords have had a hard time since the death of Mr. Buford, with little money and many bills. Evelyn, who is twenty, works in an office and helps as much as possible but the fifteen-year-old twins, Winnie and Binnie have to be provided for.

Soon a letter comes from Aunt Sophronia saying she is going to visit them for a few days, and she is glad that the children are girls because she despises boys and will give each of the girls a check for $5,000.

Poor Winnie won't get a cent. Suddenly he has an inspiration---he will borrow Binnie's clothes and pass for a girl while she is there.

Finally Aunt Sophronia announces she is going to distribute the checks. She says she is sorry the Buford children are girls---if there had been a boy she would have given him $25,000.

Poor Winnie! He has to talk terribly hard but everything works out all right and he gets the check.

The cast includes:

Mrs. Mary Buford--------A widow--------Eula Ann Doering

ACTIVITIES

"A LITTLE HONEY"

The senior class presented the play, "A Little Honey", on April 14, 1950. The story is as follows:

Mrs. Minton had taught Diana that the way to interest a man was to be able to talk fluently on subjects dearest to a man's heart--baseball, carburetors, and the stock market. Diana had tried it--with disastrous results. She was a very unhappy girl. When Tom returns for a furlough, Grandma takes over and sets the stage for a proposal. Everything is going fine, when Diana's kid sister Jerry and her heart throb, Albert, suddenly barge in and give the scheme away. Tom leaves and the whole household is in an uproar. The cook is on a rampage. A Southern widow has tossed her income tax problems in Mr. Minton's lap, and evidently hopes to toss herself there next; Grandma is mad at the trained nurse, who has been hired to see that she watches her diet and doesn't sneak her pork sandwiches. Scoots is forever doing something mischievous. Because nobody else's advice has worked, Diana tires her own ideas, and gets her man!

The cast included:

The Buckland Chapter of the Future Farmers of America consisted of twenty-two members during the 1949-50 year.

Gene Brookhart, Glen Place, Jack Springer, Everett Bradford and Bobby Sunderland showed their livestock projects at the Auglaize County Fair.Some of the boys then went to the Allen, Van Wert and Putnam County Fairs where once again they gave Buckland a good representation by winning several firsts.

Last summer, Mr. Mowbray, Dallas Fox and Bobby Sunderland attended the FFA Camp at Camp Muskingum in Carroll County. The camp is located on Lake Leesville which is part of the Muskingum Conservancy District. They stayed for a week and brought back many ideas on how to make Buckland a better chapter.

In June, the FFA Quartet composed of Glen Place, Rex Place, Dick Gossett and Bob Bowersock went to Columbus to sing at the State Convention. Donald Mack was made a State Farmer at the convention and became the third State Farmer since the ag department was opened at Buckland.

Just before Christmas, Santa moved part of his toy factory from the North Pole to the Farm Shop where the boys made little pull toys.These toys were distributed by the county health nurse to needy families in our county.

Money making activities for the year were a square dance, selling licence plate identification tags and sponsoring Mr. Wilbur Fish, the Joy Bell Ringer.

The annual Parent and Son Banquet was held February 28th and more than one hundred FFA members, parents, faculty members and guests attended. Dallas High, the President of the Ohio Association of the Future Farmers of America, was the guest speaker. Dallas Fox served as toastmaster. Jack Springer was awarded the silver award for his job as reporter and also the ton litter pin.

On March 15th the Parliamentary Procedure Team traveled to Coldwater where they entered the contest and were awarded a gold medal for being an outstanding team. This was the first time a Buckland team had achieved the honor.

We had a display of shop work at the Farmers Institute and a seed identification board. These are a few of the accomplishments of the Buckland Chapter of the Future Farmers of America for the 1949-50 year.

B.H.S. BAND

This school year, under the capable leadership of Mr. Smith, our band has been very active and successful.

One of the outstanding events of the year was our Spring Concert. Many new numbers were introduced for the first time. We played for several basketball games and also had a prominent part in the Community Institute program.

We are looking forward now to several activities in which we have been asked to take part this summer such as the Lima Band Festival, County Fair and Memorial Services.

We have every reason to believe that Buckland has a band of which it can be proud to claim as its own.
